

We are pleased that you selected L. Design Reclaimed to assist you with the deconstruction and salvage of the wooden structure on your land. We are a licensed and bonded demolition and salvage company based in Eastern Washington. We provide all of the equipment required for the deconstruction process. You pay no fees for the deconstruction of your structure. To begin the process, please fill out and return this form and download our "Deconstruction/Salvage Agreement" which details our service, responsibilities, and the protections afforded you and L. Design Reclaimed.

Failing Wood Structure Registration Form
